What is Secure-A-Dog?

Secure-A-Dog is an adjustable sizing bracelet with an extension to hook onto a dog leash. It protects your dog from getting away if somehow you let go of the leash. The diagram below shows how it works:

So what's the problem?

Dogs escape owners grasps and risk deadly consequences such as:

- ***FATAL CAR ACCIDENTS***
- ***DOG ATTACKS***
(on your dog, other dogs or other people)
- ***RUNAWAY or LOST***
- ***AND MANY OTHER CONSEQUENCES***

"A single dog lost is one too many"
